Mrs. CHARLES METZGER.

Died.

Mrs. Marie A. Nalle died at her home in St. Louis Monday, September 4, 1916, after an illness of several months, aged 57 years, 11 months and 27 days.

Mrs. Nalle was born in Ste. Genevieve September 7, 1859, and was the daughter of the late L. B. Valle and Philomena Janis. She was married in this city to William F. Nalle, who preceded her to the grave 17 years ago. She is survived by one son, L. Bert Nalle, and four sisters, Miss Flora Valle, Nannie, Mrs. Martin V. Ziegler, Philo, Mrs. Columbus Abernathy of St. Louis, and Bertha, Mrs. Frank J. Ernst of Ste. Genevieve.

After a long, busy and useful life she died as she had lived—honored, trusted and loved.

The remains were brought to Ste. Genevieve Tuesday night and taken to the home of her sister, Mrs. Frank J. Ernst, and the funeral took place from the Catholic Church Wednesday morning at 9:30, and after a Requiem Mass and an appropriate address by Rev. Father C. L. van Turenhout the remains were laid to rest in the Valle Spring Cemetery.

Her son, Bert, Mr. and Mrs. Martin Ziegler and Mr. and Mrs. Columbus Abernathy accompanied the remains from Ste. Louis.

Adolph L. Morice died in this city Thursday morning, September 7, 1916, of Bright's disease, aged 35 yrs., 8 mo. and 20 days. He is survived by his wife, Mrs. Elizabeth T. Morice and baby, two brothers, Alex and Martin Morice, and four sisters, Hattie, Mrs. Vorst Moore, and Miss Pauline Morice of this city, Agnes, Mrs. Fred Louvier of Prairie du Rocher, Ill., and Libby, Mrs. Charles Hopkins of Crystal City. The funeral took place from the Catholic Church in this city Friday morning at 9 o'clock and the remains were laid to rest in the Valle Spring Cemetery.

SCHOOL NOTES.

The Ste. Genevieve Public Schools opened Tuesday, Sept. 4th with every indication of a promising year.

The teachers, either fresh from the summers vacation or from a course in a summer school, seemed to have acquired many new ideas and are determined to make this year the most successful in the history of the Ste. Genevieve Schools.

The patrons are backing these teachers in their high ideals in regard to the schools and are realizing more than ever before what a good first class high school means to their town.

The sum spent in maintaining the high school is comparatively small when we consider that at least one half of this money never leaves the town. It seems much smaller when we consider sending away to school say fifty students who would have to pay \$20 per month for board only, making a total of \$1,000 per month, taken out of our town; or \$9,000 per school year, not to mention tuition, laundry, train fare and other things that out of town school life necessitates. Just ask your neighbor who sends his son or daughter away to school.

The amount spent seems still smaller when we consider that we have our boys and girls at home under our own care where we know just where they are practically every hour of the day, just at the age when the son needs the advice and companionship of the father, when the daughter needs the love and sympathy of the mother.

Lastly, the attitude and response of the students is the final test of a school's efficiency. In spite of the hot weather for the opening day there was an enrollment of 116 in the grades as follows: 1st and 2nd Gr. 37; 3rd and 4th Gr. 20; 5th and 6th Gr. 38; 7th and 8th Gr. 31.

Many new features are being planned for these grades this year. Among which is a weekly assembly for the purpose of having the children of these grades get together for a short time each week and render a short program. This program may consist of some dramatic work well done, as dramatizing or reciting. The main idea is to furnish an incentive for better work and to accustom pupils to appear before the public.

The first day's enrollment in the high school was very encouraging and was as follows: Freshmen 20, Sophomore 10, Juniors 14, Seniors 6, Specials 1, making a total of 51.

We feel sure that several more will enter before the end of the week.

High School Students, the public has its eye on you and is expecting to hear from you on more occasions than one this year. It is expecting you first of all to show evidence of a higher class of work than even before. It is expecting you to furnish some real good orchestral and choral music. It is expecting you to show some high class literary and oratorical ability. It is expecting you to show good sportsmanship in athletics. In fact, it has a right to expect more of you than you have ever accomplished before.

Students, teachers, patrons, we need the co-operation of you all. Without the support of any one of you no school can ever succeed to any great measure of success.

Married.

Miss Theresia Guethle and Peter Grieshaber were married at a Nuptial Mass at the Catholic Church at Weingarten Tuesday morning, September 5, 1916. The ceremony was performed by Rev. Father Kotte. Acting as brides maid and groomsmen at the ceremony were Miss Rosa Guethle, sister of the bride and Henry Grieshaber, brother of the groom. The groom is the son of Mr. and Mrs. August Grieshaber and the bride is the daughter of Mr. and Mrs. Felix Guethle, all of New Offerburg. A wedding dinner and supper was served at the bride's home and the evening was spent in merry making and dancing. The bridal couple will leave Sunday for St. Joseph, Mo., where they will make their home.

Boys State Fair School.

At our examination to admit boys to a free trip to the State Fair at Sedalia, Mo., Sept. 23-30, 1916, only two boys were present. Mr. T. J. Walker, the manager of the Boys' State Fair School would like to have the names of four boys from each county that took the examination on Geography, Arithmetic and Agriculture, therefore I am going to hold another examination on next Monday, Sept. 11th, in order to get at least two more boys. Boys must be between the ages of twelve and seventeen. The state pays all expenses of these boys from the time they leave home until they get back, except the railroad fare. Boys, now is your chance to see the State Fair for nothing.
